

Globaldro.com

سایت فوق توسط ۷ کشور پیشرو در زمینه مبارزه با دوپینگ برای جستجوی داروها از نظر ممنوعیت آن راه اندازی شده است. چنانچه ماده ای که بدنبال جستجوی آن هستید در زمره مکمل ها باشد جستجوی شما به نتیجه نمی رسد زیرا این سایت برای مکمل ها در نظر گرفته نشده است. با جستجوی داروها در این سایت از ممنوع یا مجاز بودن دارو در زمان مسابقه یا در همه زمان ها و اینکه آیا شرط خاصی برای مصرف دارد یا خیر مطلع می شوید.

برای جستجو ابتدا روی لینک سایت کلیک کنید (<https://globaldro.com/Home>).

The screenshot shows the Global DRO website interface. At the top right, there is a 'Languages' dropdown menu. Below the navigation bar, the text 'Athletes, check your medications!' is displayed next to the Global DRO logo. The main heading is 'CHOOSE YOUR SPORT NATIONALITY'. Below this, there are seven flags representing different countries: Canada, United Kingdom, United States, Switzerland, Japan, Australia, and New Zealand, along with an 'Other' option represented by a globe icon. To the right of these flags is a large image of a swimmer in a pool. Below the flags, there is a paragraph of text explaining the website's purpose and its partnership with various anti-doping agencies. At the bottom, it says 'Brought to you by:' followed by logos for antidoping.ch, Canadian Centre for Ethics & Sport, UKAD, and USADA.

نحوه جستجوی داروهای لیست ممنوعه

پس از ورود باید یک پرچم انتخاب شود، با توجه با انگلیسی بودن زبان اکثر این کشورها تفاوت زیادی وجود ندارد لذا برای جستجو پس از ورود به صفحه اصلی سایت روی یکی از پرچم های کانادا، اتریش، انگلستان یا آمریکا کلیک کنید.

با توجه به زبان ژاپنی و اشکال موجود در صفحه سوییس روی پرچم ژاپن و سوییس کلیک نشود

، پس بجز ژاپن می توان هر یک را برگزید. در این فایل آموزشی روی پرچم سوییس کلیک شده است و که صفحه زیر باز می شود:

The screenshot shows the website's search interface. At the top left is the logo for 'global DRO' with the tagline 'Is your medication banned in sport?'. At the top right is a Canadian flag and a 'Languages' dropdown menu. Below this is a navigation bar with 'HOME', 'SEARCH', 'HELP', and 'FAQS' buttons. The main search area contains four dropdown menus: 'User Type' (set to 'Select'), 'Sport' (set to 'Select'), 'Nation of Purchase' (set to 'Canada'), and a 'Search for' text input field. A blue 'Search' button is located to the right of the input field.

2

سپس در کادر بالای صفحه **User type** که می تواند مربی، ورزشکار، پزشک یا ... باشد و در بخش **Sport** رشته ورزشی فرد را انتخاب کنید و در کادر **Nation of purchase** که به معنی محل تهیه دارو است همان کشوری که پرچمش انتخاب شده را انتخاب کنید.

This screenshot shows the search interface with specific criteria entered. The 'User Type' dropdown is set to 'Athlete', 'Sport' is set to 'Wrestling', and 'Nation of Purchase' is set to 'Canada'. The 'Search for' text input field contains 'tamoxi', and a dropdown menu is open below it, showing suggestions: 'Tamoxifen' and 'Tamoxifen citrate'. The blue 'Search' button is visible to the right.

در کادر **Search** نام ژنریک داروی مورد نظر را وارد کنید بعنوان مثال **Naproxen** را در کادر بنویسید و با کلیک روی **Search** یک صفحه قبول شرایط باز می شود که باید **Accept** کنید.

TERMS AND CONDITIONS

Global DRO provides the prohibited status of medication brands and ingredients according to the current World Anti-Doping Agency's Prohibited List.

Global DRO only provides brand information for medications available for purchase in Australia, Canada, Japan, New Zealand, Switzerland, UK, and USA.

Global DRO does NOT contain information on, or that applies to, any dietary supplement unless an ingredient on the label is known to be prohibited. The same applies to homeopathic products and other alternative medicines.

A dietary supplement may contain prohibited substances even if your search results for all individual ingredients state that the ingredients on the label are not prohibited or the ingredients are not contained in Global DRO. Dietary supplements may contain ingredients which are not listed on the ingredient label or may use alternate names for a prohibited ingredient which do not appear in Global DRO. The use of any dietary supplement is at your own risk.

Global DRO does not reflect additional disciplinary regulations, published by International Federations or Major Event Organizers, which prohibit certain ingredients or methods separate to their status under the World Anti-Doping Agency Prohibited List.

If you can't find your medication on Global DRO this does NOT mean your product is safe to take in sport. Contact us to find out if it is prohibited in sport.

Please read the full Global DRO Terms and Conditions which contain additional information which is essential to your proper use of Global DRO. By using our site, you consent to the level of protection set out in the Privacy Policy. Please click accept to continue.
